

FRIENDS OF CHILWELL NEWSLETTER JANUARY 2017

Message from Mark James Chair of Friends of Chilwell.

I would like to thank all who supported the following recent events.

BBC Children in Need Coffee Morning – November 2016

A big thank you to all parents who came out in support of our coffee morning 18th November 2016. Your kind donations help us to raise £115.50, 50% of which will be donated to the BBC Children in Need fund. Special thanks also to the parents, teachers and staff who volunteered their time and organisational skills and baked cakes in support of the event.

School Disco – Years 4, 5 and 6

The school disco was a resounding success. The children thoroughly enjoyed themselves. Some were seen making some moves that we 'older folks' can only do in our dreams. As for the food, well that went down like a treat. All hot dogs and burgers were completely sold out. We are hoping to add this to our annual calendar. This was also a financial success as profit from the event was £174.49.

Congratulations to the team as everyone came out and supported the event and the children well. Thanks also to Ms. Pravina 'Energetic' Patel and Ms. Juliet Young 'the ever faithful', for their continuous support and guidance. Special mention must also be made of the school's canteen staff for helping with the preparation of the food as always. And finally, thank you to the teachers and other members of staff who were on hand to help with serving of food, monitoring of children and ensuring health and safety procedures were observed and also to Head Teacher Mr Nick Lambert for always being in support of Friends of Chilwell.

Mark

The following events are upcoming:
