Summer, 2024

Year 5

Chilwell Croft Academy

All Different, All Equal, All Achieving

Computing

We are web developers:

In this unit, pupils begin by learning how the school network and the Internet work. They explore the HTML used to create websites and edit this using Chrome Developer Tools. They will create their own website about online safety using Google Sites.

Science

In Science this term we will be exploring the unit: Materials .

We will be exploring different materials, their uses, and their properties, as well as dissolving, separating mixtures and irreversible changes. The children will sort and classify objects according to their properties. They will explore the properties of materials to find the most suitable material for different purposes. The children will work scientifically and conduct collaboratively when investigating.

History and Geography

IIn History this term we will be exploring the unit: Tudors.

We will be exploring the life of King Henry VIII came to power, how the Tudor's line of monarchs, including Elzabeth shaped the course of British history. We also learn about the War of the Roses and how it came to an end.

In Geography this term we will be exploring the unit: Unit Maps and symbols: Ordnance survey.

We will be learning about using a map of the local environment. We will be identifying and describing the location of a variety of places in relation to human/ physical features. Pupils will also learn how to interpret; maps, focusing on symbols, scales and compass directions to explore different landscape.

Welcome!

Summer is finally here, and we have many amazing things ahead of us in Year 5! From reading to art, music to science, we have an exciting term ahead!

How can I support my child at home?

Reading – Reading everyday with your child is one of the most effective ways to support every part of their education. Listening to your child read and then discussing what they have read will have a huge, long-term impact.

Maths – Making use of Times Tables Rockstars to secure multiplication and division facts will have visible benefits in nearly all areas of mathematics.

English

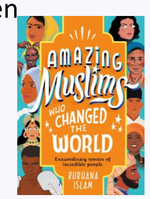

Writing

We will be exploring narrative again based upon the story of Little Red Riding Hood. We will then explore the work of Shakespeare and use this as inspiration of newspaper reports, persuasive letters and much more.

Whole class reading

Fiction – We are finishing the – Nowhere Emporium then Exploring Macbeth!

Non-Fiction – We are Exploring the book – Amazing Muslims who Changed the World

Art and D&T

Year 5 will be working on their Beautiful Botanicals unit, where they will be exploring the natural world. They will also further develop their sketching skills. In D&T they will learn basic stitching, joining textiles and one finishing technique.

MFL

Mandarin:

In this term pupils will learn a variety of skills including writing different strokes, learning from how to name pets to constructing short sentences.

Mathematics

This term in maths we will be exploring a range of topics including shape, where we will be looking at polygons and angles. We will also look at position and direction and perimeter and area. We will be exploring the relationship between positive and negative numbers and calculating using negative numbers. We will explore converting units (including weight and volume). We will also explore statistics and representing data using graphs and charts.

Life Education

In this unit we will learn all about our Rights and Responsibilities. We will learn about the people that keep us safe and what their roles are. We will also learn about our rights and link these to British values.

RE

Being In RE will explore a range of ideas including being temperate, self-disciplined and seeking contentment.

Being accountable and living with Integrity. Being thankful, imaginative and exploratory. We will compare these ideas with the ideas of religions from around the world.

PE

P.E is on Wednesday Week 1 and Tuesday Week 2. During summer we will be exploring Tennis, Athletics, Badminton , Cricket and field sports.

Music

Singing Assembly will take place on Wednesday mornings.
