

## **Sports Premium statement**

We must use the funding to make additional and sustainable improvements to the quality of PE and sport on offer to pupils.

This means we will use the premium to:

1. To develop or add to the PE already in place in school (referring to the aims below)
2. To make improvements now for future pupils

### **The 5 key indicators where improvements should be seen are:**

1. The engagement of all pupils in regular physical activity, aiming for 30 minutes a day within school time.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

### **The National Curriculum aims are for all children:**

- To be physically active, working towards a target of 30 minutes activity during and after the school day (excluding general playtimes)
- To excel in a broad range of activities
- To engage in competition
- To lead healthy lifestyles

We aim to do meet the curriculum expectations with the help of the Sport Premium Funding by providing:

- A more inclusive curriculum.
- A growth in traditional and alternative sports.
- Improvements in our partnership work with other schools.
- Creating links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills.
