Dear Parents/Carers,

Re: Nut Allergy

Can parents/carers please be aware that we have children in school with food and nut allergies. If you provide your child/ren with a school packed lunch can you please refrain from including any nuts. It is important there is strict avoidance to this food in order to prevent a life-threatening allergic reaction. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to school with your child/ren.

Catering at this school is in line with the Food Information Regulations which means that we do not serve food that contains nuts.

We appreciate your support and thank you for your co-operation.

Yours sincerely

Julie Berrow
