Dear Parents/Carers,

Our recent Parent Forum meetings focussed on areas outlined below:-

1 School Uniform

I am pleased to be able to inform you that 100% of the parents who attended supported proposed the change in school uniform in order to simplify and bring down costs to parents/carers and I will notify parents of those changes in more detail in due course.

2 SRE

Through discussion all parents who attended were happy with the education that our children receive with regards to SRE.

3 The Red Box Project

The Red Box Project is a community-based, not-for-profit initiative, which aims to support young people throughout puberty by providing red boxes filled with free products. Parents who attended were really pleased that we were providing this in school for our Year 4, 5 and 6 children.

We would like to thank those parents who attended and look forward to our next Parent Forum meetings next half term.

Yours faithfully

Dr George Koutsou
