Both Academies are happy, exciting and inspiring learning environments for their children who are from a vibrant mix of cultures. The staff and Trustees have a great sense of pride in their schools and care passionately about the pupils they serve.

Chilwell Croft Academy is a rapidly improving Primary School which is well supported by staff and parents alike. The Academy has made an extremely positive journey over the last 18 months and the Academy leaders and staff place a strong emphasis on positive attitudes, high quality learning, and a strong team approach. Consequently, the school has received an Ofsted rating of ‘Good’. Chilwell Croft is a harmonious community where pupils from different ethnic heritages work together well and feel safe.
