Thursday 18th June 2020

Dear Parents and Carers,

I hope you are well and are now able to do a few more things that you haven't been able to do over the past few months with more shops open and socially distanced catch ups able to take place. However, I also assume you are remaining cautious and adhering to the guidelines.

Reopening

We have had a successful reopening of the school these past two weeks to Year Reception, 1 and 6 and we will be contacting you soon about the possibility of transition days occurring before the end of the Summer Term for other children. We appreciate there are many of you still with children at home and we thank you for the fantastic support you are giving them having collected home learning packs from school. These are available for all children so please contact the school if you have not picked them up yet. Work is also still being posted on Seesaw for those at home.

We are yet to receive guidance about a wider reopening in September but are putting plans in place for different eventualities and will contact you once we have made firm plans.

Black Lives Matter

At Chilwell Croft Academy we strive to promote equality and celebrate diversity in all its forms. All Different, All Equal, All Achieving is our school ethos and something we strive to achieve at our school.

We are fully supportive of the Black Lives Matter movement and are currently looking at ways we can educate and encourage children, staff and parents to discuss these issues and move the school forward with regards to this. We are currently in the process of establishing a working party of staff where we hope curriculum development, work, assemblies, displays, community events and engagement will all be discussed and actions proposed from this perspective. If you feel you would like to have any involvement in determining a way forward for our school and community please email enquiry@chilwellcroftacademy.com.

Thank you for your ongoing support of the school and please do not hesitate to get in contact if you require any support with online / home learning or have any questions, we are here to help.

We look forward to seeing more of you soon!

A handwritten signature in black ink that reads "Mr. Murphy". The signature is written in a cursive style with a large, sweeping underline.
