Dear Parents and Carers,

I hope you are well and able to enjoy a little more freedom given the slight relaxation of the COVID lockdown measures. It is strange to sit here and write to say that we are nearing the end of another term; the end of a school year, yet we have not seen some of you in over 3 months. However, I sincerely hope you and your families are keeping well and healthy.

Wider Reopening

We recently surveyed our Year 5 parents about whether there would be enough interest to open the school to this year group. Unfortunately, there was not enough uptake and so **we will not be asking any Year 5s to come in from July 6th as suggested.**

Transition Days – Meet the Teacher

Instead of reopening the school to more year groups we will be inviting all children to come in and meet their new teacher for a socially distanced 10 minute meeting where you can discuss next year and bring in any homework you have completed. All Year 5 parents should have received a call today as you will be invited in this Friday 3rd July to meet your new Year 6 teachers.

All other parents will receive a call from your child's current class teacher on Friday 3rd July to invite you in for a meeting on Friday 10th July. We really hope you are all able to make these safe, socially-distanced meetings as we hope it will reassure you and your child and make them ready to return to school in September.

September

We are currently planning for a full reopening of school in September, unless we are given further guidance by the government. We will keep you updated on a weekly basis from now until the end of term and via text during the Summer holidays if required.

Please note the end of term for all children will be Thursday 16th July.

We look forward to seeing you all over the next two Fridays.
