## Free online fun family learning course that you could do with your children over the summer:

The following courses are available for free for you to complete by yourself or with your children. To access the course, you need to complete an enrollment form which I have attached at the end of this letter.

# Creative Families

This **free** course provides an opportunities for adults and children to work together to learn new creative techniques and skills that be replicated at home. Courses can be a mix of the following subjects leading to a qualification

**Jewellery**

**Clay**

**Cake Art**

**Papercraft**

**Textiles**

**Floristry**

## Preparing for a Vocational Creative Course 6wks

This course is aimed at adults and enables them to be ready to move onto a full creative craft course. It will support adults to build a portfolio, take photos of their completed work and then review and evaluate their work.

## This could lead to courses at Birmingham Adult Education Service and Further Education Colleges.
