Dear Parents and Carers,

## Advice to All Parents - Single case of COVID within school

Dear Parents,

We have been advised by Public Health England that there has been a confirmed case of COVID-19 within the Year 3 staff at the school.

We know that you may find this concerning but we are continuing to monitor the situation and are working closely with Public Health England. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The Year 3 classes have received an individual letter and will be staying at home for 14 days until the 5<sup>th</sup> October. **The school remains open and your child should continue to attend if they remain well.**

## What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they must not come to school and should remain at home for at least 10 days from the date when their symptoms appeared. Anyone with symptoms will be eligible for testing and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.

## Symptoms

The most common symptoms of coronavirus (COVID-19) are recent onset of:

a new continuous cough, a high temperature or a loss of, or change in, your normal sense of taste or smell (anosmia).

For most people, coronavirus (COVID-19) will be a mild illness.

We will continue to keep you updated with the situation, but we are taking every precaution and following the guidelines set out to ensure school is as safe as possible for your children.

Kind Regards

Andy Murphy  
Acting Headteacher
