Dear Parents/ Carers,

I hope you are keeping safe and well during this difficult time. I hope you are managing to support your children in their home learning (we know how difficult this can be!) but are also able to keep spirits high by getting regular fresh air and enjoying some more relaxed family time together.

## **Home Learning**

We appreciate how difficult this can be and we hope you have felt supported by the school's determination to get as many children accessing learning online as possible - with live lessons on Microsoft Teams spread out across the day so siblings can all have priority if you are sharing devices.

**Teams** – All children are sent links through Seesaw to access Teams' lessons. All children also have a direct log into Teams now and their username and password has been shared through Family announcements on Seesaw - they just need to go to [www.office.com](http://www.office.com) to log in. To ensure best quality, download the Teams App.

**Seesaw** – The expectation is now that all children need to complete at least a piece of English and Maths work each day, please ensure you are prioritising these areas so children do not fall behind. Please contact school if you are having any problems.

## **Parent Forum**

We would welcome your feedback on our home learning offer and a chance to talk if you have any issues or problems. Therefore, we are holding two remote Teams meetings this week which you are welcome to join by clicking the link at the following times:

Monday, 1<sup>st</sup> February – 3:30 pm [Click here to join the meeting](#)

Thursday 4<sup>th</sup> February – 11:00 am [Click here to join the meeting](#)

However, if you cannot attend or make one of these meetings, I am happy to have a conversation with you personally.

Kind Regards

Andy Murphy  
Acting Headteacher
