

## **Your Chilwell Croft Online Music lessons**

Dear Parents

We hope that you are well at this time. As you know our children at Chilwell Croft have a professional music service to come in and teach our music lessons.

They have been busy putting together an Online Learning Platform for our children and families to access while you are at home.

This platform is a suite of videos to support all levels of learning covering every instrument and the voice. It will help both those pupils who have instrument lessons and those who have singing lessons.

Please use the link below to access the service.

The username and password below will give you full access.

**Password:** sjSPVFLG

This website is a great place for your child/children to practise playing their musical instruments and for all the children to have fun joining in with the singing videos!
